SPRING PROGRAMME

Hi Everyone,

Welcome into Spring! Hopefully we will get dried out on the land and the mud will go and the grass will grow.

Thank you to all who contribute to the programme and come along to programme planning. Sadly we had to abort our last meeting due to the bad management at Waterloo Cross. I for one will never go there again. At the moment I can't put venue for next meeting, but thought Keepers Cottage may suit. But it's your group so feed back before next meeting would be appreciated. Anyone that is overdue with subs please send to Anita asap as if your are not on my list a programme will not be sent. Thankyou

Best wishes

Mary
