Summer Programme 2018

Hi Everyone,
I hope you are enjoying this hot weather! Rain dance needed soon.

Firstly, Congratulations to Nigel on his retirement after 50 years of hard work on the farm, and wishing him every happiness in his new home. Thankfully his thoughts of moving away faded, and we are still keeping him as a very valued member.

The new venue for the programme planning took place at Keepers Cottage. Janet kindly arranged a deal for our food. A big thank you to those who attended and kindly put events on the programme.

Best wishes
Mary
