WINTER PROGRAMME 2019

Hello from your new programme editor! It's frightening to realise I've been a member of Country Link for 30 years, and have so far avoided holding a post! Having personally been very bad at putting suggestions forward for the programme, I was delighted by the number of people that attended the programme planning meeting, and the great ideas that lots of you came up with. Thank you!

Please all keep your eyes peeled when you're out and about, and pick up information about anything you think we could put on the next programme.

You will see from the top of the page that all post-holders changed at the AGM; I'm very relieved that Anita just made a sideways move and will be helping me with the programme. Many thanks too to Nigel, Henrietta and Peter.

And of course a huge 'thank you' goes to Mary for all her hard work in recent years, and for passing things over in such good shape.

SUBS ARE NOW DUE. Please find details enclosed, and return forms and payment to Peter as soon as possible.
