

Northamptonshire

It is a year now since we first started our Northamptonshire group in 2017. We have had fun and laughter and made new friends.

We meet on the first Wednesday of the month and other events are included in the programme compiled to suit all interests and I invite members to contribute events they would like to support.

Programme dates can be subject to change and other dates will be added at short notice.
For more information and to let us know if you are interested in attending please contact Claire on 07757805383 (Evenings or weekends) or by
E-mail. countrylinknorthampton@gmail.com
